## ABOUT

Headquartered in Rome, Italy, the Euro-Gulf Information Centre (EGIC) is a non-profit, non-partisan, think-and-do tank, established on 1 October 2015. The Euro-Gulf Information Centre blends research and analyses with outreach and engagement. We are proud of being an action centre that contributes to enhancing strategic, cultural, economic and political ties in the Euro-Gulf space. Through specialised platforms, programmes and activities, EGIC works hard to develop human-to-human and institution-to-institution contact points in order to strengthen relations and constructive engagement.

EGIC also provides information services to organisations and individuals that seek to deepen their understanding of the trends unfolding in both Europe and the Gulf. EGIC is a firm believer in breaking paywalls and provides open access information – infographics, articles, reports (etc) – to the interested public. Finally, EGIC organises a wide assortment of events ranging from conference and seminars to workshops, art exhibitions, travels and specialised training.
